

# EXCELLENCE IN SERVICE

---

September 2021

Dear Members of the Kinsmen Club of Stony Plain,

On behalf of Kin Canada and as National Service Director from this past Kin year, I am writing to thank you for your commitment and excellence in Service. Your fellow Kin recognize your club's dedication, creativity and hard work. In particular, your Club shone brightly with your donation of tablets to a local senior's home. You found a safe and fun way too bring joy members of your senior's community at a time that many felt lonely and cut off from their friends and families. What a helpful gift to receive – the gift of staying in touch with family and friends, seeing their faces, and hearing their voices. Clubs like you make Kin truly unstoppable.

Thank you for your dedication to "Serving the Community's Greatest Need".

Yours in Service,

Vicki Andrews  
National Service Director
