

National Day of
KINDness

Kinsmen Club of Stony Plain is celebrating Kin Canada's 10th Annual National Day of Kindness

The Kinsmen Club of Stony Plain will be participating in Kin Canada's 10th Annual National Day of Kindness.

Kin Canada is the nation's largest all-Canadian service club organization, and National Day of Kindness is an initiative representative of its core mission: "serving the community's greatest need". On this day, Kin Clubs celebrate people and community by spreading kindness through small service projects.

National Day of Kindness also celebrates the founding of the association by Hal Rogers on Feb. 20, 1920. This February marks Kin's 102nd anniversary. Kinsmen, Kinette and Kin clubs across the country work to better their local communities and enhance the well-being of Canadians. For more general information, see Kin Canada's website: www.kincanada.ca.

The Stony Plain Kinsmen will be spreading kindness on Friday, Feb 18th by distributing Tim Hortons cookies to Westview Health, the nine local schools for staff PD day, and many local businesses that have been open to serve our community during the pandemic.

**Thank you to all the local businesses who are
