

## Acheson Business Association

Back in September 2014, Ed Berney of the Stony Plain Kinsmen Christmas Hampers and Carolyn Dumont of the Spruce Grove Kinettes approached the ABA announcing that the two groups were combining their efforts to feed and gift as many families as possible throughout the whole of Parkland County. This meant that the number of hampers would more than double to 746 and as the ABA is one of the largest contributors, they were asking for our help to achieve their new goal.

As a result of the Acheson efforts, Ed Berney of the Stony Plain Kinsmen reports that this year, each child will receive a total of 3 gifts, a stuffed animal and each family will also receive 1 puzzle and 1 game along with the usual two week supply of food and a turkey. And (because there's more!!) on Friday, December 19<sup>th</sup>, Stony Plain firefighters will deliver stuffed animals to 100 patients at the Westview Clinic in Stony Plain!! Pretty darn impressive Acheson; you have made a difference in the lives of 746 families!!
