

The Kinsmen Club of Stony Plain is a proud supporter which relies on our community to help make the “Kinsmen Christmas Hampers” a success. 2019 was our 41st year that the Hamper Program has helped those that are less fortunate in Stony Plain and Parkland County. Our Hamper Program helped 629 families (over 1800 people) who were supplied with food for two weeks (including the turkey for Christmas dinner), toys for the children and gift cards for much needed necessities.

Starting in November collection boxes are placed in businesses throughout Stony Plain and at the Town Office. The Acheson Business Association also partners with us collecting at numerous businesses.

Nonperishable food and unwrapped gifts are gratefully accepted, monetary donations can be mailed to Kinsmen Christmas Hampers at Box 2231 Stony Plain, AB T7Z 1X7.

Thanks to the generosity of local businesses, churches and the Town of Stony Plain there are no overhead costs. This means 100% of donations end up with the needy families.

We coordinate with local business to organize our last pick up day for the collection boxes which allows our volunteers to complete the hampers and have them ready for the families before Christmas.

Thank you to everyone from the entire volunteers that spend hours making the hampers to all our business and schools in making our Christmas Hampers a continued success.
